

26 March 1982

MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM : SA/DCI/IA  
SUBJECT : Testimony on Technology Transfer

1. The attached materials are for your background and possible use at Monday's hearing.

2. Several memos, which touch on the likely focus of the hearing, are included. The most recent (from [redacted] dated 26 March) alerts you to possible queries regarding the problem posed by bloc country students in the U.S. [redacted] has provided some talking points and background data on this issue, some of which he also provided to Lawrence Brady.
